

D is for Daniel

Keep Praying

Sit by a window with your child and pray together. Your prayer could include thanking God, asking Him for help and praising Him with a simple worship song!

Talk about how Daniel trusted God and kept praying even when the king said not to.

Trust Walk

Using pillows and other soft items, make a simple obstacle course in your home. Ask your child to close their eyes and then guide them around the obstacles by giving them instructions while holding their hand. Talk about how God also guides us and keeps us safe when we trust and obey Him.
