PRAY FOR THE SICK

Jesus healed the boy just by saying so! We can pray for people to be healed in Jesus' name, and trust that Jesus will heal them supernaturally or through the doctor's help. Pray together as a family for people who are sick – they could be people whom you know, or people that you read about in the news who have the COVID-19 virus or other illnesses. You don't need to be in the same place as them, you could be praying over Zoom or the phone, and it's as simple as praying, "be healed in Jesus' name!"

FIRST AID KIT

With your parents, check to be sure your family's first aid kit or medicine cabinet is up to date. Count how many of each supply you have. Restock if you need to. Add a picture of Jesus to remind you to pray too whenever someone gets hurt or falls sick, and talk about how Jesus helps to heal us too.
