

# K IS FOR KING

## FIND GOD'S WORD

Play a game of seek and find as a family. Parents, choose a verse from the Bible that is meaningful to you or that you want to bless your child with, and write it on a piece of paper without your child seeing it. Roll it up like a scroll and secure it with tape or a rubber band. Then hide the scroll somewhere in the house. Children, it's your job to find the scroll! When you find it, take it out and read the verse that is written on it. Ask your parents why they chose that verse. You can play multiple rounds or use a few scrolls at the same time.

## THOUGH I'M YOUNG, I CAN LOVE AND FOLLOW GOD!

Children, though you are young, you can love God and be an example in following Him! Mummy and daddy, write the words "pray", "worship", "read the Bible" on pieces of paper. Scrunch the pieces up, and let your child pick one piece up. Children, you have to do whatever is written on the paper – whether it's say a simple prayer, or sing a worship song, or tell a Bible story. You can do it!
