

# M is for Miracle

## Miracles Happen

Is there an impossible situation that your family is facing that needs God's awesome power? Maybe you need God to supply your family with what you need. Pray as a family about that situation and believe God for a miracle! Nothing is too difficult for God!

## Thank You God for the Food!

Jesus didn't complain that there was too little food. He gave thanks for the food that God had provided. This week children, have a grateful heart and thank God for the food that you have to eat. You can lead the whole family in thanking God at meal time! Or when you pray before you sleep, thank God for the food that you had to eat!

## Miracle of Multiplication Craft
