CHILDREN'S ACTIVITY SHEETS FOR FCBC LIVESTREAM SERVICES (23 & 24 MAY 2020)

Familiarity II

Last week, we learnt about getting to know God by reading the Bible and to let God know us by praying to Him. For us to become familiar and intimate with God, there are two more values that we must have in order to become more familiar with God.

We need to know God personally from our heart and not so much from our mind (knowledge). There is a difference between knowing who God is and knowing about who is God. It is like there is a difference between 2 friends sitting down to eat at school canteen and a student sitting in front of a teacher in an oral exam. When we know God from our heart, not just using our mind, reading the Bible will become like reading God's love letter and not as a textbook.

Whenever you hear stories about God, do you hear it from someone else like your parents or GKidz leaders ? It's alright when you are young and can't read on your own. But, as you are able to read the Bible on your own, God wants us to **connect with Him personally** by talking to Him, reading His love letter and hearing from Him directly and not through someone else.

Will you take some time to read the Bible, spend time praying and building that connection with God personally? Do that and you will be surprised how easy it is to be familiar with God.

Bible Verses

And what is eternal life? It is knowing you, the only true God, and Jesus Christ, whom you have sent.

John 17:3 (NIRV)

I want to know Christ better. Yes, I want to know the power that raised him from the dead. I want to join him in his sufferings. I want to become like him by sharing in his death. Then by God's grace I will rise from the dead.
