

# THE 4 TYPES OF PEOPLE WHO HEAR GOD'S WORD

## WORKSHEET FOR P1-6S

Parents and GKidz leaders, please customize the questions to suit your child. You may need to paraphrase the questions. Facilitate a conversation with them about the 4 types of people who read the Bible and help to reflect on times that they may be like each of the 4 types of people. Encourage them to choose to hear God's word and do what it says.

We can be like the hard path and not interested in God's word, because we listen to other influences like our friends or YouTube stars!

Who do you listen to more? Mark it on the scale with a ▼ on each line.
