PROGRAMME CONCEPTS

The **BIG** Idea:

SAME SAME BUT

DIFFERENT

We want a TGIF with a **difference**.

We want to make a **difference**.

We want to see the **difference**.

Yet the message is still the **same**.

Christ made all the **DIFFERENCE!**

THE GOALS

❖ A TGIF with a **Difference**

- ▶ To Think Greatly In Efaith and organize a TGIF that is different from previous TGIFs.
- ▶ To create a different experience for the church members and their pre-believing friends.

❖ Making a **Difference**

- ▶ To plan for an environmental cleaning project to serve the community and effect transformation in small ways.
- ▶ To build bonds with the community, cultivate new relationships and make new connections through a shared cause for the environment.

❖ Seeing the **Difference**

- ▶ To create a structured experience for the pre-believing friends from the environmental cleaning and see the fruits of the cleaning labour.
- ▶ To elicit responses and reflections from the pre-believing friends during debriefs.
- ▶ To share the message of giving without strings attached.

❖ The Message is still the **Same**

- ▶ Same Good Friday Message of Love demonstrated on the Cross!

❖ Christ made all the **DIFFERENCE**

- ▶ To share the message of God's gift to mankind without strings attached in cleaning up our broken lives.
- ▶ To share personal testimonies on how Christ made the difference in the lives of the church members.

THE EVENT

❖ Good Friday – April 6, 2012

- ▶ To use the GOOD FRIDAY Holiday as a season to make a DIFFERENCE and share the DIFFERENCE by inviting pre-believers to clean a beach or park in order to overcome the challenge of inviting them to a home-based evangelistic event.
- ▶ Through the environmental cause, to reach out to other groups of people who would otherwise not visit a cell or church or outreach event.
- ▶ To see a difference in the environment that we are living in.

❖ Cell Groups

- ▶ To mobilise ALL CELLS to be actively involved in this outreach event.
- ▶ To communicate the GOSPEL of GOOD FRIDAY in a comfortable and non-threatening setting, so as to elicit a personal response to Salvation.
- ▶ To use all available resources in order that “we try to persuade men” concerning the GOOD NEWS (2 Corinthians 5:11).
- ▶ To make a difference, see the difference and be the difference through this event to see changes in the environment and the lives of our pre-believing friends and family members!

- What were your attitudes and feelings towards giving with no strings attached before this community project and after?
 - Which part of this project is most valuable for you?
 - What is something you experienced that was challenging or difficult?
 - What is one thing you would like to continue to do to bless the people around you?
- ❖ Summarise the experience and affirm everyone for giving their time and being a blessing.
 - ❖ At the end of the eating session, Cell Leader distributes mementos to every volunteer.
 - ❖ Assigned buddies explain to guests what Good Friday commemorates; a short personal testimony and the John 3:16 Presentation can be used too.

Sharing of TGIF message

- ❖ What does Good Friday mean? - More than 2000 years ago, Jesus died on the cross for our sins. Being God, He is without sin. But God loves us so much that He gave His life to set us free from the penalty of sin. Today, we want to learn from His selfless spirit of giving. We gave our time and effort to clean up the beach so that others can enjoy it more. We have all experienced the blessing of giving with no strings attached; now let us share with you why we have gathered together to do so. As Christians, we give because God has first given us the greatest gift of all - His Son."
- ❖ Following that, have the chosen member share his / her 3-5 minute testimony.
- ❖ You may say something like this: "You have just heard what God has done on the Cross for each and everyone of us, and how He has given us His Son, that we may not die but have eternal life. Now I invite someone among us, (NAME), to share his / her personal account of what the Cross means to him / her."
- ❖ Sharing of testimony.

- ❖ Cell leader breaks members and guests into smaller groups to share John 3:16 Presentation.
- ❖ After sharing the John 3:16 Presentation and personal testimony, ask the guest if he / she would like to accept Christ as his / her personal Lord and Saviour. You may say: “(NAME), I have shared with you what the Cross / Good Friday means to me. God is real and He loves me so much that He came and revealed Himself to me. He loves you just as much too. Do you realise that Jesus died for your sins too? I would like to give you an opportunity to invite Jesus into your life. If this is what you would like to do, please repeat this prayer after me.”
- ❖ Lead guests in saying the Sinner’s Prayer aloud, line by line: “Dear Lord Jesus, I know that I have done things in the past that are displeasing to You. I need You to help me in my daily life. I believe You love me and died on the Cross for all my sins. I want to leave behind all the things I have done wrong, so please forgive me of all my sins. I invite You to come into my life today and be my Lord and Saviour. Make me the kind of person you want me to be. Help me to know You more and let me experience Your love daily from now on. In Jesus’ name I pray. Amen.”
- ❖ Solicit prayer requests from guest and pray a blessing for him / her and invite him / her to attend Easter services and future meetings/events.
