EXECUTIVE SUMMARY – Teens TGIF - SEVEN

1. Programme Concept – The Big Idea

GOOD FRIDAY is a major evangelistic outreach point, where the **Teens** in FCBC **would bring in the harvest** by inviting friends to experience a series of **fun and meaningful** activities in a **non-threatening** way.

2. Development Considerations

- i. Teenagers are active and energetic and like fun activities and respond well to object lessons
- ii. The seven times Jesus shed blood and the blessings that flow from Jesus' shed blood form the core of the message of this TGIF programme
- iii. This message will be communicated through a series of object lessons
- iv. Teenagers are active on the social media, which is an effective platform for publicity
