

RIO Early Elementary (K1 and K2) 2014 Second Quarter Series

Dear Parents

Indeed the Lord is patient with us as we learnt from the way God dealt with the Israelites when they asked for their first King and also from the life of David before he became a King. The children learnt that God never gives up on us and His timing is always right. That is the key thrust of the teachings your child had just received for the last 3 months.

This quarter, we will have the SEL (Social Emotional Learning) lesson on Self Control right after Easter. Here your children will learn that to have self control is to be able to control their actions and emotions to resist the temptation to do or say things that are inappropriate. This is done through the “traffic light” method where like the traffic lights they have to pause, think before they say or do anything rash. In particular, how they would apply self control when they are angry.

Then we will continue our teaching theme on “God’s Glory and Love” through the life of Jesus on earth and His appearance to His disciples after His Resurrection. Through the life of Jesus your children will learn what eternal life is; “It is knowing You, the Only true God, and Jesus Christ, whom You have sent.” (John 17:3) This is the memory verse for this quarter.

Please remember to continue to work with your child at home to reinforce all the teachings so that the truth of God will be engraved in their hearts.
