Prospectus 2018

Advanced Certificate In Christian Ministry (ACCM)

10 May – 22 September 2018

Certificate In Christian Ministry (CCM)

10 May – 21 July 2018

INTRODUCTION

This programme aims to equip believers to be more effective Christians in the marketplace.

It has been specially designed to cover 3 key areas of study:

- Bible and Theology
- Practical Christian Living
- Leadership & Ministry Skills, including FCBC distinctive.

Besides classroom lessons, students will also experience actual ministry situations in the contexts of a G12 church as they complete their ministry practicum requirements.

There will also be a short Mission Exposure Trip, specially organised to provide students with real-life missionary experience.

DETAILED COURSE DESCRIPTION

Module One:

1. Theology of a G12 Cell Group Church

To demonstrate from scriptures, the biblical basis for a G12 cell group church.

2. G12 Cell Group Church Distinctive

To give an overview of the core values, structures and equipping system in FCBC.

3. God's Heartbeat for Faith Community Baptist Church

To provide students the opportunity to understand the heartbeat of our Senior Pastor, Apostle Lawrence Khong, and God's mandate for FCBC.

Students will learn directly from and interact with our Senior Pastors on the vision of FCBC, our core values, the G12 Vision, TCS, GE, Love Singapore, marketplace transformation and our other church ministries.

4. Transformation: Glorifying God in the Marketplace

To discuss biblical teachings on work ethics and provide principles and practical handles through case studies on common situations where Christian values are tested in the workplace (e.g., integrity, diligence, productivity, excellence, consideration, authority and submission) and on how to resolve these situations.

5. Christian Leadership

- a. To present the biblical principles of effective Christian leadership.
- b. To help students understand the calling and burden of a Christian leader, and the costs and dangers of leadership.

6. Systematic Theology I

To equip students with a working knowledge and understanding of basic theology, by walking through the essentials of the fundamental Bible doctrines:

- a. Theology Proper
- b. Christology
- c. Pneumatology
- d. Bibliology
- e. Soteriology

7. Survey of the Bible (Old Testament)

- a. To show the historical contexts of the books of in the Old Testament (OT) the Bible.
- b. To show how to read the books in the OT by observing their key literary structures.
- c. To show the key theological themes of each book of the OT and their practical implications and applications.
- d. To demonstrate Bible study principles and hermeneutics through the survey of the books of the OT.

8. Bible Study Principles & Hermeneutics

- a. To introduce the OIA process of Bible Study (Observation-Interpretation-Application).
- b. To introduce 5 types of observation.
- c. To introduce 10 principles of Bible interpretation.
- d. To introduce principles of interpreting 3 types of Bible genres: Narrative, Poetry and Epistle.
- e. To introduce 10 steps to Bible study.

9. Father Heart of God

A character development course with the primary thrust: knowing God as our Father is the key to personal wholeness. The process to personal wholeness is finding our security and identity in the fatherhood of God.

- a. Our Security – in terms of God's unconditional love and care/provision
- b. Our Identity – in terms of the worth of our life and the purpose of our life (the Great Commission)

10. Life in the Spirit

To review Biblical teachings on living the supernatural life by depending on the Holy Spirit and provide students with practical handles on how to do so:

- a. Fellowship with the Holy Spirit
- b. Empowered by the Holy Spirit - in the cell and in the market place

To provide principles drawn from testimonies on moving in the supernatural power of the Holy Spirit.

11. Character of a Godly Person

In this course, the Beatitudes will be presented as the value-system and the ethical standard of the Kingdom of God, and a description of who the Christian is to be, in character and conduct.

12. Biblical Mandate for Missions

- a. To show the biblical mandate and strategy for missions.
- b. To show present and future trends in missions.
- c. To motivate the students in reaching out to the nations.

13. Personal Effectiveness

This course facilitates the development of personal mastery competence. It will enable students to manage their life, ministry and work more effectively. It will focus on self-knowledge and self-mastery, and maintain a balance between work, ministry and personal responsibilities.

Areas covered include:

- a. Identifying personal values, qualities, interests, abilities and aptitudes
- b. Establishing personal goals and relating them to ministry and career goals
- c. Managing time effectively
- d. Maintaining work-life harmony
- e. Identifying and managing sources of stress
- f. Managing personal finances

14. People Helping Skills I

The course provides a biblical foundation on what it means to help a person grow. It also examines the different conditions of a man's heart and how a helper can come alongside to help him.

15. Pastoral Care

To provide biblical teaching and practical steps in the following pastoral ministry situations:

- a. Hospital visitation
- b. Ministering to the bereaved
- c. Idol removal
- d. Home blessing
- e. Infant dedication

This course will also explain FCBC's wedding policies, and highlight situations that should be reported to pastors.

16. Praise and Worship

- a. To provide biblical teachings on praise and worship.
- b. To address the life and ministry of the worship leader.
- c. To present the spiritual principles and practical guidelines for preparation to lead worship, in terms of the worship leader himself and the ministry of leading worship.

17. Interpersonal Communication Skills (using D.I.S.C.)

- a. To help students to understand interpersonal communication skills and communication styles and strategy in relation to the different DISC styles.
- b. To promote effective communication in the ministry.
- c. To facilitate effective work teams.
- d. To develop and implement conflict resolution strategies.

(Students will be able to find out their own D.I.S.C. profile.)
